

Surfside Honors Veterans at Nov. 11 Ceremony

TOWN
of
SURFSIDE

GAZETTE

DECEMBER 2010

With a ceremonial laying of the wreath, the sound of a bugler playing *Taps* and a three gun salute echoing through the Town, Surfside honored its veterans in a moving November 11 ceremony at Veteran's Park. Mayor Daniel Dietch was Master of Ceremonies, which included local religious officials, military guest speakers and elected officials. Residents also enjoyed refreshments.

Clockwise from top, Miami Beach High School NJROTC Color Guard, guest speaker Col. Chris Royer, members of the Second Infantry and local scouts salute the flag.

Town Manager's Message

The holiday season is a wonderful time to reflect on the past and look to the future. Surfside is really on a roll. The Community Center will have the roof poured in early December and we are still on track to open in May 2010. Call your Parks and Recreation Director Tim Milian at (305) 866-3635 to arrange a tour of the construction site every Thursday afternoon at 4:30 p.m. except holidays. In other exciting news, the electronic multispace parking meters went live on November 22, 2010. This technologic advance will accept bills and credit cards and provides the Town much greater accountability for the revenues. Congrats to Assistant Police Chief John Di Censo and Town employees for an incredible job in implementing the system. We are also underway on the upgrade of the water, sewer and storm drainage systems. This project has been contemplated for nearly 20 years and will bring the Town into regulatory compliance and ensure reliability of essential utilities. The Town Commission approved retaining a financial advisor and bond counsel in November. There will be a citizen's advisory committee to help throughout the project, which will last approximately 15 months.

If you have engineering or financial experience and would like to serve on the committee, please e-mail me at rcarlton@townofsurfsidefl.gov. There will be more information on this project in the near future. Look at the letter in your December

Tours of Community Center Construction Site

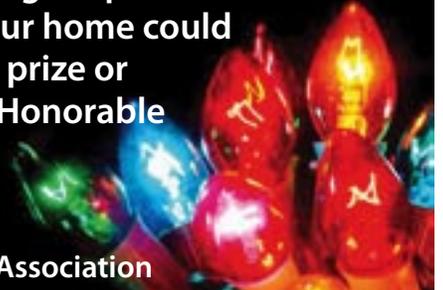

Curious to see what is happening with the Community Center construction? The Town has started a tour program on Thursday afternoons at 4:30 p.m. (excluding holidays). The program is coordinated by the Parks and Recreation Department and will include the Project Superintendent from West Construction who will answer questions.

For safety reasons, the tours will be limited to a specific area and visitors will be able to see the construction site from a designated viewing point. Participants will be required to sign a waiver of liability. For more information, call Tim Milian at (305) 866-3635.

Town Manager's message - from Page 1

water and sewer bill to learn more about the project.

We will soon begin the process of creating a new vision for our downtown business area. There will be lots of opportunities for residents and business people to participate. The Administration has created a new accountability system which has earned the name "points of light" from the many pundits in Surfside. This is a list of approximately 90 projects and requests that come from the Town Commission, citizens and the administration that is updated every month with a statement regarding the progress that has been made. Please notify the Mayor, Vice Mayor and Commission what your ideas might be. You never know, your idea could become one of the "points of light."

Finally, starting soon the weekly check register of payments made by the Town will be posted on the Town Website. This will let you know where your tax dollars are being spent.

On behalf of the Town Commission and all your Surfside employees, may you and your family have a wonderful and safe holiday season.
