

MESSAGE FROM THE TOWN MANAGER

Working With Neighbors Benefits Surfside

While every municipality is unique in its own way, Surfside shares more than just geography with its surrounding neighbors. We are similar in size, citizenry and population and have common interests, concerns and goals. Our elected officials and staff meet regularly to review best practices and identify programs and projects that might be best approached by two or more municipalities contributing and working together for the benefit of all residents and visitors.

The story below is a perfect example of Surfside, Bal Harbour and Bay Harbor Islands recognizing a common need and achieving a solution that helps everyone. Together we are better!

Budget Hearings

Residents are encouraged to participate in the Town's important budget process for FY 2016-17. Hearings will be held on **Tuesday, Sept. 13 at 5:01 p.m. and Tuesday, Sept. 27 at 5:01 p.m.** at Town Hall.

– Guillermo Olmedillo, Town Manager

Towns Work Together to Install Beach Shower

There's nothing like a cool freshwater rinse after a swim in the ocean. Thanks to a collaborative effort by the three surrounding municipalities, beach-goers now have a new beach shower and foot wash at the end of 96th Street. The latest joint initiative between Bal Harbour, Bay Harbor Islands and Surfside was identified during a monthly Mayor's meeting and quickly advanced from concept to reality - much to the delight of residents and visitors. The three Mayors and key staff celebrated the milestone on August 10, 2016. "Working collaboratively with our surrounding municipalities and their units of government brings real benefits to our community," said Mayor Daniel Dietch.

(L-R) Bal Harbour Parks & Open Spaces Director John Oldenberg, Bal Harbour Mayor Martin Packer, Bay Harbor Islands Mayor Jordan Leonard, Surfside Mayor Daniel Dietch, Bay Harbor Islands Town Manager Ron Wasson, Surfside Public Works Director Joseph Kroll and Asst. Public Works Director Randy Stokes.

Surfside Town Hall Hosts Candidate Forum

A Democratic Candidate Forum for the State Senate District 38 Primary Election was recently held at the Surfside Town Hall Commission Chambers. The League of Women Voters of Miami Dade County moderated the well-attended event. L-R are candidates Anis Blemur, Kevin Burns, Don Festge, Michael Gongora and Jason Pizzo.

CODE COMPLIANCE CORNER

Political Campaign Signs

The Town of Surfside regulates the use of political campaign signs under Zoning Code Section 90-74, Temporary Signs. Political campaign signs may be displayed in both the residential and business districts.

Political campaign signs may not be erected or displayed more than 90 days prior to the election date or ballot vote, and all signs must be removed no later than seven days after the election or ballot date. When a candidate is a participant in a run-off election, the candidate's political campaign signs may be displayed until the run-off election is concluded.

Political campaign signs must be professionally lettered, and may not be lighted or illuminated in any manner. Political campaign signs may be not affixed or attached to the surface of any public street, public right-of-way, easement, sidewalk, curb, street pole, or public property or public place. Any campaign sign so affixed or attached will be removed and destroyed by the Town without notice to the political campaign.

For residential and business districts, the maximum sign size is three square feet. For in-ground signs, the maximum height including support frame is 42 inches from the ground to the top of the sign. In residential districts, only one political campaign sign is permitted per street frontage. Signs may not obstruct roadway visibility.

Prior to posting any political campaign sign, the political campaign office must first obtain the permission of the property owner to post a political sign. Signs may not be placed on vacant lots or vacant properties without the expressed consent of the property owner. At this time, the Town of Surfside does not require a political campaign sign bond.

If you have any questions, please contact the Town of Surfside, Code Compliance Division, at (305) 861-4863.

Surfside to Spray for Mosquitoes on Sept. 1 & 2

The Town of Surfside is scheduled to conduct mosquito control, ground-level spraying operations to eliminate adult mosquitoes on Thursday, September 1, and Friday, September 2, 2016. Spraying will take place between 11 p.m. and 5 a.m. on both days.

The product we are using, Essentria IC3, is EPA approved and will be applied by a certified professional using an ultra-low volume (ULV) sprayer. ULV sprayers put out very fine droplets, consisting mostly of water. The actual amount of insecticide sprayed is miniscule. According to both the EPA and the U.S. Center for Disease Control and Prevention (CDC), when used in such small amounts, it does not pose a health risk to people or pets. Nevertheless, residents and visitors who may have health concerns should remain indoors during spraying missions. You will be alerted to the approaching spray by hearing a sound similar to a leaf blower and seeing flashing yellow lights. For your comfort, residents are advised to stay indoors with their windows and doors closed at the time scheduled for the spraying. Although this product is environmentally friendly, it is best not to breathe in the material directly. Within minutes, the fog settles and it is safe to re-enter the area.

This operation is being conducted to reduce the mosquito population within the Town. The U.S. Center for Disease Control and Prevention, in conjunction with the

Florida Department of Health, has recommended mosquito treatments to control and reduce the number of mosquitoes, some of which may be capable of spreading viruses such as Zika.

We will continue to be vigilant and ask that you continue to safeguard your property to help protect yourself and others. For questions, please call the Public Works Department Director, Joseph S. Kroll, 305-861-4863.

Feeling the sting of mosquitoes?
Then it's time to **drain and cover.**

Drain standing water.

Drain water from garbage cans, house gutters, pool covers, coolers, toys, flower pots or any other containers where sprinkler or rain water has collected.

DISCARD:

old tires, drums, bottles, cans, pots and pans, broken appliances and other items that aren't being used.

EMPTY AND CLEAN:

birdbaths and pets' water bowls at least once or twice a week.

PROTECT:

boats and vehicles from rain with tarps that don't accumulate water.

MAINTAIN:

the water balance (pool chemistry) of swimming pools. Empty plastic swimming pools when not in use.

DO YOUR PART TO PREVENT THE SPREAD OF MOSQUITO VIRUSES

Aside from being a nuisance, bites from infected mosquitoes can spread different type of diseases. We encourage you to protect yourself, your family and your community from mosquitoes! Here is how:

- Use insect repellent, wear long-sleeve shirts and pants
- Use and repair screens on doors and windows to keep mosquitoes outside
- Bromeliads (ornamental plants) can hold water between their leaves. If you have bromeliads at home, make sure to flush the water out of your plants, or coat the water with a little bit of food grade oil, or treat the water in your Bromeliads with a safe larvaecide.
- Mosquitoes are most active at dawn and dusk; if you must be out during this time, cover your skin with clothing and apply mosquito repellent.

Please report any neglected pool or any other accumulation of standing water to the Town's Code Compliance Division at 305-861-4863, ext. 230. **Other Important Numbers:** Florida Department of Health, 1-855-622-6735. Miami-Dade County, 3-1-1.

Stop mosquitoes from living and multiplying around your home or business.

Officer Marian Cruz Receives Sergeant Stripes

Marian Cruz, who first joined the Police Department as a communications operator in 2004, has been promoted to Sergeant. In 2009 she successfully completed the Miami-Dade College School of Justice Police Academy and became a police officer. In 2011, she transferred into the Criminal Investigations Unit where she remained for five years. She served as the department's Public Information Officer and received numerous Officer of the Month awards. Marian was selected as a finalist for the Investigative Services Award at the Annual Miami-Dade Law Enforcement Officer Ceremony in 2015. A native of Cuba, Marian came to the U.S. with her family in 1988. She graduated from Miami Senior High School and attended Miami-Dade College.

Back to School Safety Tips

A new school year has begun and keeping children safe is top priority for the Surfside Police Department. Parents should teach their children the following for a safe school year:

- Children should know their parent(s) name, cellphone number and address, as well as where their parents work.
- Only cross streets at designated crosswalks, street corners and traffic controlled intersections.
- Always look both ways before crossing the street.
- Avoid talking to strangers. If a stranger approaches your child, make sure they know to immediately report the incident to you, a teacher or a police officer.
- Teach your children to never get into a vehicle with anyone, even if they know them, without your permission.

Drug Drop Off on Saturday, Oct. 22

The Surfside Police Department is hosting a National Take Back Initiative on Saturday, October 22, 2016 from 10 a.m. to 2 p.m. The National Take Back Initiative is an opportunity for the public to surrender expired, unwanted and unused pharmaceutical controlled substances and other medications to law enforcement for destruction.

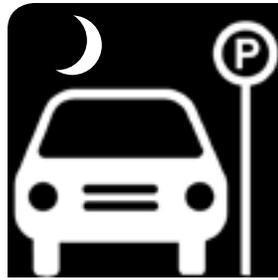

A collection box will be placed at the Surfside Police Department for citizens to drop off pharmaceutical products and liquids, sealed in their original container. Intra-venous solutions, injectibles, and syringes will not be accepted. For more information, contact Dina Goldstein at (305) 861-4862.

Dept. of Motor Vehicles to Visit

Community Outreach Specialists from the Department of Highway Safety and Motor Vehicles (DMV) will be on-site at Town Hall to take care of all your driver's license needs. Stop by Town Hall on Wednesday, October 19, 2016 from 9:30 a.m. to 2:30 p.m. in the **Police Training Room**, second floor. Please look for signs. Contact Dina Goldstein (305) 861-4862 and check the identification requirements on the Town website: www.townofsurfsidefl.gov.

Successful Trial Period Leads to Overnight Parking Program

As a result of a successful trial period for an overnight residential parking program, the Town of Surfside will continue the program into the future. It allows Town residents to park their vehicles overnight at designated locations between 9 p.m. – 7 a.m. each day of the week. Residents can utilize their current Town Parking Permit affixed to their vehicle's front windshield as an identifier for overnight parking. (Note that parking permits are being renewed beginning Sept. 1). The only change being made in the program is that no overnight parking will be permitted in the on-street parking spaces in the 200 block of 88th Street (between Harding Avenue and Collins Avenue) on the south-side of the street adjacent to the Surfside Tennis Center.

Residents will be permitted to park overnight at on-street parking spaces that are currently pay for parking spaces, and to also park overnight at Town Parking Lots with the following exceptions:

- No overnight parking will be permitted in the Abbott Parking Lot
- No overnight parking in the on-street spaces in the 9400 block of Harding Avenue and the 9500 block of Harding Avenue (Business District)
- No overnight parking will be permitted in the on-street parking spaces in the 300 block of 94th Street (between Harding Avenue and Abbott Avenue)
- No overnight parking will be permitted in the on-street parking spaces in the 300 block of 95th Street (between Harding Avenue and Abbott Avenue)
- No overnight parking will be permitted in the on-street parking spaces in the 200 block of 88th Street (between Harding Avenue and Collins Avenue) on the south-side of the street adjacent to the Surfside Tennis Center.

To ensure the continued success of the Residential Overnight Parking Program, all residents who park their vehicles overnight must move them by 7 am. This program is the result of resident requests for additional parking options. For further information, contact Parking Operations Manager Elinor Joseph at (305) 861-4862 or ejoseph@townofsurfsidefl.gov

Eighth Police Teen Summer Camp Graduation

With Law Enforcement staff, teens who attended the Police Summer Camp show their certificates. Presentations included a K-9 demonstration, Florida Fish and Wildlife Conservation Commission, Officer Survival, Crime Scene Investigation, SWAT and visits to the Coast Guard Air Base and Fire Rescue Department Station 21 in Haulover. At top right, teens participate in a mock search and rescue exercise at Miami-Dade Air Rescue and Fire Rescue Department Station 25 at Opa-Locka.

Sign Up For CodeRed Storm Notifications

With hurricane season underway, this is the time to sign up for CodeRED emergency alert messages issued by the Surfside Police Department. The system enables emergency notifications and/or informational messages to be sent, including hurricane evacuation notices, boil water notices, flood disasters, traffic advisories and more.

The notifications and advisories are sent out as voice messages and text messages to registered telephone, cellphone and email addresses of Town residents and businesses.

Residents can register through the Town website,

www.townofsurfsidefl.gov, type in "Code Red" in the search bar and the first entry will display the link to register for the CodeRED System. There is also a CodeRED app available for cell phones. You may register via the app.

You can also sign up on Facebook and LinkedIn. Look for "Emergency Communications Network" www.facebook.com/Emergency-Communications-Network-172699979514108/?ref=ts. Also "Emergency Communications Network" on LinkedIn www.linkedin.com/company/emergency-communications-network-llc?trk=top_nav_home. If you have questions, call Dina Goldstein at (305) 861-4862.

Memories of Surfside Summer Camp 2016

Kids Ride Waves of Fun at Surfside Surf Camp

Summer vacation came to an end on a huge high note for dozens of youngsters who attended Surfside Parks & Recreation's fifth annual surf camp for children with autism and related social challenges. Surfside teamed with Pediatric Psychology Associates and local surf instructor Walter Javier to host the popular two-week summer surf camp. The event continues to grow with new participants and many who return from previous camps.

Though many of the campers were new to water sports, most were standing on the surfboard after a few lessons. The goal of the camp is to provide a fun experience while introducing children to the ocean.

Surfside Ordinance Prohibits Sale or Use of Styrofoam

One of the most common forms of litter are the white bits of disposable Styrofoam cups, lids and to-go food containers. As of June 1, they can no longer be sold or used in Surfside. The Town Commission adopted Town Ordinance 15-1639 in November 2015, amending Chapter 34 (Environment). The amendment created Section 34-10, "Prohibitions Regarding the Sale or Use of Expanded Polystyrene Food Service Articles." This section applies to all food service providers and stores doing business in Surfside.

Expanded polystyrene is known by its industry name, Styrofoam. It is a synthetic polymer made from monomer styrene. In its foam form, polystyrene is very slow to bio-

degrade. It is increasingly abundant as a form of litter in the outdoor environment, particularly along shores and waterways. Polystyrene foam blows in the wind and floats on the water. It can be lethal to birds or marine animals that swallow it and can lead to the transfer of toxic chemicals to the food chain.

Under the Town Code's "Definitions" section, a food service provider is defined as chain food service providers, restaurants, cafes, delicatessens, coffee shops, grocery stores, markets, drug stores, pharmacies, bakeries, caterers, vending trucks or carts and cafeterias.

Beginning June 1, 2016, the Code Compliance Division is authorized to enforce the provisions of this code section. For further information on the sale and use of expanded polystyrene products, please contact the Code Compliance Division, at (305) 861-4863.

Commission Action at August Meeting

Voted to approve the following Resolutions:

1. Authorizing and approving the appropriation and expenditure of funds for the Hawthorne Tot Lot Renovation Project; approving and authorizing the Town to piggyback off the competitively bid U.S. Communities Contract No. 110179.09 with Gametime Division of Playcore Wisconsin, Inc. in the amount of \$96,002.50; awarding the proposal to Fence Masters, Inc. for the Hawthorne tot lot fence replacement in the amount of \$17,685; approving the total funds of \$113,687.50.

Voted to adopt the following Ordinance on Second Reading:

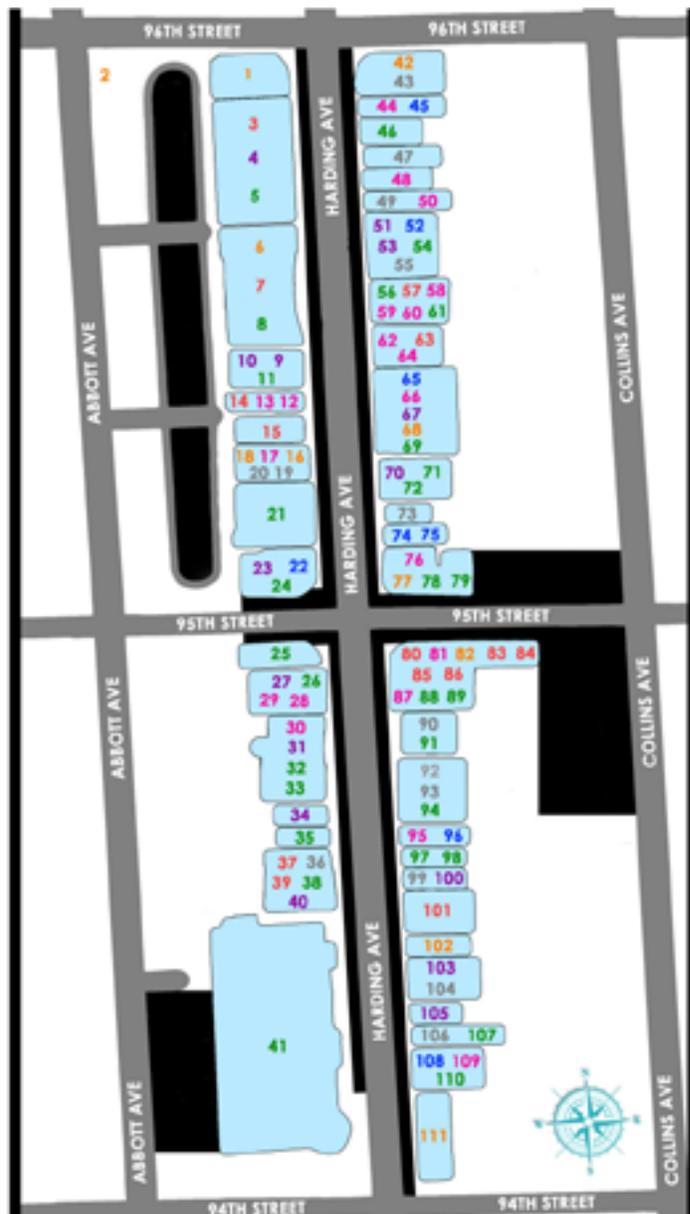

1. Amending Chapter 90 "Zoning"; Sec. 90-19. "Single-family and two-family development review process"; specifically amending Section 90-19.7 exempting sheds from Planning and Zoning Board and Design Review Board review and providing the design guidelines shall be followed; amending "Section 90-54 "Accessory buildings and structures in the H30A and H30B Districts" specifically amending section 90-54.7 related to sheds and landscape requirements.

Guidelines For Encountering Sea Turtles on the Beach

If you observe an adult sea turtle or hatchling sea turtle on the beach, follow these rules and guidelines:

- It is normal for sea turtles to be crawling on the beach on summer nights. DO NOT report normal crawling or nesting (digging or laying eggs) to the Florida Fish and Wildlife Conservation Commission (FWCC) unless the turtle is in a dangerous situation or has wandered off the beach.
- Stay away from crawling or nesting sea turtles. Although the urge to observe closely will be great, please resist. Nesting is a critical stage in the sea turtle's life cycle. Please leave them undisturbed.
- DO REPORT all stranded (dead or injured) turtles to the FWCC.
- NEVER handle hatchling sea turtles. If you observe hatchlings wandering away from the ocean or the beach, call: 1-888-404-FWCC or *FWC (Mobile Phone)
