

## MESSAGE FROM THE TOWN MANAGER

### 2016-17 Fiscal Year Budget Approved by Commission

On Tuesday, September 27, the Surfside Commission approved the 2016-17 Fiscal Year Budget – which began on October 1. The final approval marked the end of months of meetings, reviews, workshops and hearings. The work of Town staff and elected officials resulted in a budget that provides the highest level of quality service for the lowest possible cost to residents.

In the past year, rising property values resulted in a increase of more than 12% in Surfside's total Certified Taxable Value (just over \$1.7 billion). The increase of tax revenues are needed to maintain a balanced budget without the use of reserve funds.

Within the approved budget, there are many funds to account for the operation of the Town, including the the General Fund, Capital Projects Fund and the four Enterprise Funds.

The Capital Project Fund includes funding for the third phase of financing a new Enterprise Resource Planning (ERP) system. The Enterprise Funds include the Parking, Solid Waste Collection, Water and Sewer and Stormwater Funds.

The current water and sewer rates will be analyzed during FY 2016/17 to ensure sufficient revenues are received to meet operating cost and debt service ratio coverage.

**- Guillermo Olmedillo, Town Manager**

### Alfred Cooper Celebrates 30 Years of Service

Solid Waste Supervisor Alfred Cooper recently marked three decades of dedicated service to Surfside and its residents. Congratulations!

*(L-R) Vice Mayor Barry Cohen, Town Manager Guillermo Olmedillo, Alfred Cooper, Gaspar Matos (retired Town Mechanic), Commissioner Michael Karukin, Public Works Director Joseph Kroll and Public Works Assistant Director Randy Stokes.*

## Participate in National Recycling Day

November 15 has been designated America Recycles Day. It is a program of Keep America Beautiful and is a nationally recognized day dedicated to promoting and celebrating recycling in the United States. Every year on or around November 15, America Recycles Day educates neighbors, friends and colleagues about the importance of recycling. The Town of Surfside will be observing America Recycles Day **on November 17 and we need**

**your help.** The Town is looking for block leaders to help promote recycling within the community. The block leaders will be responsible for going to door to door within their assigned area (a great way to meet your neighbors) and discuss thoroughly what items can be recycled. These items will be collected on November 17 during your regularly scheduled recycling pick-up.

**If you are interested in being a block captain for the following areas please let us know by emailing: [fduval@townofsurfsidefl.gov](mailto:fduval@townofsurfsidefl.gov)**

## Town Recycling Program Showing Success

On June 2, 2016, the Town of Surfside Solid Waste Department rolled out its first Town-operated residential recycling pick up. In the past three months the Town has collected more than 92.63 tons in recyclable material. The revenue received from the recycle stream is \$23.17 per ton on an average. In addition to the new revenue from recycling, the Town is averaging a 25 ton per month decrease at the landfill. The decrease equates to a \$2,125.00 per month savings. Another plus is the positive citizen and business participation.

What can be recycled: all paper products, cardboard (flattened or cut down), glass bottles, all plastic products and metal cans/tin aluminum. Hazardous waste such as batteries, window glass, light bulbs/mirrors, Styrofoam/ cookware, chemicals/paint/pesticides, electronics are NOT accepted. If there are any doubts as to what you can recycle, leave it out. We are well on our way to having Surfside at 70% participation compliance by the year 2020. **Thanks Surfside!**

## Residents Can Report Street Light Outages

Did you know that you can report lighting outages within Surfside? In reporting any outages we first need to identify the type of lighting fixture. Generally, most wooden poles located in the residential area belong to **Florida Power & Light (FPL)**, while lights on Collins and Harding Avenue have a shared responsibility between the Town and the County. Below are a few options to report lighting outages for any of the fixtures listed above.

1. If a resident wants to report a street light out, they can call FPL (305) 442-8770 and a representative will generate a street light ticket and note in the resident's account. (It is strongly suggested that a physical address rather than general location is provided).
2. A street light ticket is sent to the lighting department for restoration. Repairs should be completed within 5 – 7 business days.
3. On the 7th day, the inside account specialist will check the ticket for completion. If not completed, FPL will

check with their lighting department to find out why it was not done and when restoration will be done. Once completed, FPL will report back to the person who reported the street light out.

### For Collins & Harding Avenues Only:

If a resident wants to report a street light out on Collins and Harding Avenues, they can call the Town at (305) 861-4863 or after hours at (305) 861-4862. Report the physical address rather than general location. The Town will contact the County for repairs and the repairs should be completed within 10-12 business days.

If there are any concerns on which lights should be reported to which entity please call the Town with the physical address and we will report the outage.

## POLICE BEAT

### Awards for Police Summer Camp Efforts

For their work in planning and coordinating the recent Surfside Police Summer Teen Camp, three Police Department members received the August Civilians of the Month recognition. Executive Assistant Dina Goldstein organized, directed and coordinated the 8<sup>th</sup> Annual Police Summer Teen Camp and was responsible for the logistics, scheduling, instructors, transportation, equipment, refreshments and supervision of the teens. The workload to successfully continue this program each year is considerable and extremely challenging. Dina did all of this in addition to her regular duties as the Executive Assistant to the Chief. This year new instructors and classes were implemented. The camp was visited by the K-9 Squad, the SWAT Team, Legal, Fish and Wildlife Commission and Crime Scene. They enjoyed trips to the Fire Station, Coast Guard Air Base, and the Miami-Dade Police and Fire Aviation Units. Administrative Assistant Donna Natale-Planas took photographs during each session and CSA Marianne

Durante assisted with the supervision of the teenagers. Dina, Donna and Marianne are congratulated for their

(L-R) Dina Goldstein, Marianne Durante, Chief David Allen and Donna Natale-Planas.

tremendous commitment to improving the camp each year and providing the teens with an entertaining and educational experience.

### Community Service Aide Awarded at Police Graduation

Miami Beach Deputy Chief Rick Clements presents the Harry Everett Award to Marianne Durante.

Surfside Community Service Aide Marianne Durante graduated from the Miami-Dade College School of Justice Police Academy on September 1. She received the prestigious Harry Everett Award for the overall outstanding trainee and passed the state police certification exam at the top of her class.

### Town and Police Union Sign Agreement

Town staff and the Fraternal Order of Police (FOP) recently ratified a new three-year collective bargaining agreement for the Police Department. Standing are Lt. John Bambis and Chief David Allen. Sitting are (L-R) Town Manager Guillermo Omedillo, FOP Staff Representative John Puleo and Surfside FOP President Tammy Campbell.

### Sign Up to Receive Emergency and Traffic Notifications

Residents can sign up to receive CodeRED emergency alert messages issued by the Surfside Police Department. The system enables the Police Department to deliver emergency notifications and/or informational messages, including evacuation notices, missing child alerts, boil water notices, fire/flood disasters, health related notices and traffic advisories.

The notifications and advisories are sent out as voice messages and text messages to registered telephone, cellphone and email addresses of Town residents and businesses. Residents can register by accessing the Town website, [www.townofsurfsidefl.gov](http://www.townofsurfsidefl.gov), type in "Code Red" in the search bar and the first entry will display the link to

register for the CodeRED System. There is also a CodeRED app available for your cell phone and you may register via the app. "The CodeRED system is only as good as the database supporting it. If your phone number or email is not in the database it will not be called. In an emergency situation, early notification can help save lives," said Surfside Police Chief David Allen. CodeRED provides greater protection during critical situations and reduces the demand on emergency personnel so they may better focus and manage their response efforts.

If you do not have Internet access, please contact Dina Goldstein at (305) 861-4862 extension 210, Monday-Friday, between 8 a.m. and 4 p.m., to register by phone.
