## What Does Travel mean to you?

The United States Travel Association's (USTA) Annual Salute to Travel and Tourism in America is May 2-10, 2015. This celebration is an annual tradition that was established by a congressional resolution in 1983.

The week serves to champion the power of the tourism industry and the impactful contributions travel makes to each and every one of us and to the economy. This year's theme was chosen to reflect the wide-ranging and robust ways that the U.S. travel industry contributes to the fabric of America.

2015's theme: Travel is \_\_\_\_\_. The USTA encourages all to be creative and have fun with this year's theme. For example: Travel is *adventure*. Travel is *family bonding*. Travel is *creating American jobs*. Travel is *essential to our economy and our lives*. How do you define travel? What positive impact does it have on you? Join the celebration on Twitter (@USTravel) using the hashtag #NTTW2015.
