## **CHAPTER 1 - INTRODUCTION**

### **A. About the Manual**

The Town of Surfside has prepared this Employee Policies and Procedures Manual (the “Employee Manual” or the “Manual”) to acquaint you with the Town’s employment policies and procedures and to provide highlights of certain benefits. The Town’s employment policies and procedures were developed to ensure a positive, productive and caring workplace for the benefit of our employees and the residents and visitors of Surfside.

This Employee Manual supersedes all previously issued materials and any contrary policy statement or memos. This Manual will give you the answers to most of the general questions you may have about your employment with the Town of Surfside; however, no manual can be all-inclusive or anticipate every circumstance. You should use this Employee Manual as a guide and, if you have questions on a policy, please ask your department head or the Human Resources Director.

It is your responsibility to read this Employee Manual and to know and comply with the policies and procedures described herein, including any revisions or amendments made by the Town.

The Mayor and Town Commissioners are not employees of the Town for the purpose of compliance with this Manual.

### **B. The Town’s Philosophy**

Our employees, their welfare and concerns are very important to the success of the Town of Surfside (the “Town”). The Town wants to encourage a working environment based upon mutual trust and confidence, which should provide opportunities for individual effort and reward. Every employee is considered an important member of the Town’s team. The Town’s policy is to treat all employees with dignity and respect.

### **C. At Will Employment**

1. The employment relationship between the Town and its employees for the first two (2) years is “at-will.” As such, during the first two (2) years of employment with the Town, the employment relationship may be terminated by either the Town or by the employee at any time, for any reason, with or without cause.
2. Pursuant to section 31.1 “Personnel Appeals Board” of the Town’s Charter, an employee who has been continuously employed by the Town for at least two (2) years, may appeal a termination or reduction in pay or rank to the Town’s Personnel Appeals Board if he/she feels that his/her termination or reduction in pay or rank was without cause.

#### **D. Open Door Policy**

It is the Town's policy to welcome and encourage employee's ideas, suggestions, or concerns regarding the employee's job or the Town's operations.

The Town knows from experience that its success greatly depends upon the helpful thoughts and suggestions of its employees. Employees should bring ideas and suggestions to the attention of their supervisor, Department Head or the Town Manager.

In addition, the Town is interested in all employee concerns, no matter how big or small. The Town believes in open and clear communication with its employees. In most situations, a discussion between the employee and the supervisor is the most effective way to deal with a concern or question. However, the employee may discuss any concerns or questions with a Department Head, or the Town Manager instead of, or in addition to, the Employee's supervisor. The employee may also contact the Human Resources Director. Any concern or question raised by an employee should be resolved as quickly as possible. The Town prohibits retaliation against any employee raising concerns or questions.

#### **E. Amendments to the Personnel Policies and Procedures Manual**

The Town has the sole discretion to modify, amend or rescind any part of this Employee Manual or any other Town-issued policy at any time, with or without notice. None of the provisions in this Employee Manual should be construed in any way as limiting or altering your status as an "at will employee".

#### **F. Collective Bargaining Agreement**

To the extent possible, the provisions of the Manual and the provisions of an applicable collective bargaining agreement should be construed together. Should an inconsistency arise between the provisions of the Manual and the provisions of an applicable collective bargaining agreement, the provisions of the collective bargaining agreement shall apply.

#### **G. Management's Rights**

Nothing in the Manual shall limit the Town Commission's or the Town Manager's ability to respond to unique circumstances with unique solutions. It is not intended to serve as a limitation on the management of the Town to take any administrative or legal action it considers appropriate. The Manual does not give rise to any contractual rights and does not supersede any federal or state laws, Town Charter or ordinance, benefits, rights or obligations conferred by laws or ordinances.

The Town is an Equal Opportunity Employer (EOE). At the same time, the Town encourages internal promotion and transfer providing such promotion or transfer does not conflict with the primary objective of hiring the best possible applicant for each vacancy. Vacant positions may be advertised as "internal" and/or "open competitive". For internal positions, only applications submitted by Town employees will be considered. For "open competitive" positions, both Town employees and external applicants will be considered.

The Department Head and/or Town Manager may also take action for dismissal from service if they have already received an appointment when any of the following findings are made:
  - a. The applicant is found to lack any of the established qualification requirements for the position to which they seek appointment;

The relative fitness of applicants for appointment or promotion may be determined by competitive or qualifying assembled or unassembled examinations, which may consist of an evaluation of the applicant's education and experience, written tests, performance tests, personal interviews and such other techniques as are designed to determine the qualifications of applicants to perform the work satisfactorily.

### **D. Documentation of New Hire**

Each step involved in the selection process shall be documented and recorded. These records shall be kept on file for a period of not less than six (6) months and shall be used to substantiate and support the employment decision in the event of inquiry.

## **E. Promotions**

2. When an employee is promoted, or his/her position is reclassified, the employee may receive the minimum rate for the new classification.

## **F. Transfers**

The transfer of an employee from one department to another may be made only with the consent of the Department Heads involved and the Town Manager.

## **G. Resignation**

Employees who plan to resign voluntarily shall notify the Town of their intention in a letter to the Department Head. The letter should state the employee's reason for his/her resignation and the effective date of resignation. A minimum of two (2) weeks' notice is required.

## **H. Layoffs**

1. When it is necessary to reduce the number of employees on the Town payroll because of lack of work or funds, the Town Manager may make a thorough investigation of the problem.
2. The analysis of proposed layoffs will consider first the types of activities to be curtailed and the positions thereby affected and will then proceed to the selection of individual employees to be released.
3. In consideration of a layoff or personnel reduction, the following factors may be considered:
  - a. Employees' length of service, performance evaluations, skills and credentials shall be among the factors in determining the order in which the employee should be released;

- b. The advisability of demoting employees in higher classifications to lower classifications for which they are qualified and laying off those in the lower classifications will also be considered; and
- c. All other things being equal, consideration will be given to the employee's length of service (seniority) with the Town in determining layoffs.

## **CHAPTER 4 - EMPLOYMENT POLICIES AND PROCEDURES**

### **A. Equal Employment Opportunity (EEO) / Americans with Disabilities Act (ADA)**

1. It is the policy of the Town to promote and assure equal employment opportunity for all current and prospective employees without regard to race, color, age, sex, national origin, religion, marital status, sexual orientation, disability or other legally protected class. This policy governs all matters related to recruitment, advertising, and initial selection of employment. It shall also apply to all other aspects of employment, including, but not limited to, aspects of compensation, promotion, demotion, transfer, lay-offs, terminations, leave of absence, and training opportunities.
2. The Human Resources Director shall serve as the Town's Equal Employment Opportunity Officer. The EEO Officer is charged with implementing the Town's EEO Policy, including receiving discrimination complaints, conducting or coordinating investigations, as well as ensuring the Town's compliance with federal and state laws related to Equal Employment Opportunity.
3. The Town is committed to complying with all applicable provisions of the Americans with Disabilities Act (the "ADA"). It is the Town's policy not to discriminate against any qualified employee or applicant with regard to any terms or conditions of employment because of such individual's disability. Consistent with this policy of non-discrimination, the Town will provide reasonable accommodations to a qualified individual with a disability, as defined in the ADA, who has made the Town aware of his or her disability, provided such accommodation does not constitute an undue hardship to the Town.
4. Any employee or job applicant who has questions regarding this policy or believes that he/she has been discriminated against based on a disability may notify the Human Resources Director. All such inquiries or complaints will be treated as confidential, and will only be disclosed on a need-to-know basis. The Human Resources Director shall respond to the complaint as soon as the situation allows.

### **B. I-9 Form**

The Town is committed to hiring only authorized workers. Each new employee must provide documentation to verify both identity and authorization to work in the United States and to complete the I-9 form. The employer section of the I-9 Form (Section 2) must be completed by examining evidence of identity and employment authorization within three days of the date employment begins. The Human Resources Director may verify the I-9 form on the E-Verify system. If an employee cannot provide these required documents, they may be either dismissed or suspended until the required documents are produced. Both the employee and the Town representative will sign the I-9 form certifying that the documents are valid.

### **C. Hours of Work / Work Week**

1. The established workweek begins on Monday at 12:01 a.m. and ends on midnight on Sunday. The normal workweek shall be forty (40) hours.
2. The normal business day shall be from 9:00 a.m. to 5:00 p.m. for most employees unless the needs of your department are different.
3. Employees shall report to work in sufficient time and be ready for work at the commencement of their schedule. Unauthorized absences due to early departure or late arrival shall not be chargeable to the employee's sick or vacation leave. Frequent tardiness will be subject to disciplinary action.

### **D. Attendance and Punctuality**

Punctuality and regular attendance are essential to the proper operation of the Town and employees are expected to be at work on all scheduled work days, during all scheduled work hours and to report to work on time. If an employee will be absent, tardy or must leave prior to the end of regular work day, the employee must contact his or her supervisor or Department Head at least one (1) hour in advance of the employee's scheduled start time, or as soon as reasonably feasible.

If an employee fails to provide prior notice to his or her supervisor or Department Head, the absence will be considered an unauthorized absence. Employees with a record of excessive tardiness or unauthorized absences will be subject to appropriate corrective action, up to and including termination of employment.

### **E. Personnel Record Updates / Employee Record Review**

1. Employees are required to keep the Town apprised (within two weeks) of all changes in marital status, number of dependents and address changes. This information has a direct bearing on payroll deductions and insurance benefits.
2. Employees have the right, upon request, to examine and copy any and all material contained in their own employee file. The Human Resources Director maintains employee records pursuant to Chapter 119, Florida Statutes.

### **F. Payroll**

1. The payroll period is bi-weekly, although each work week stands alone for compensation and overtime purposes. Employees will receive their direct deposit stub every other Friday, for twenty-six (26) paydays per year.

If the payday falls on an official Town holiday, employees will be paid on the preceding workday or other day designated by the Town. In extenuating circumstances, the Town will consider a pay advance upon approval of the Town Manager.

2. The employee's paycheck shall include the full amount of earnings for the previous two work weeks, minus the appropriate required federal deductions, such as federal withholding (income tax), Social Security and Medicare taxes. The Town deposits this deducted amount with the U.S. Treasury for credit on employee income tax calculations at the end of the year. Employees are responsible for completing a W-4 form properly and updating it when necessary. The Town will provide a W-2 form showing total earnings for the year and the amount of taxes that have been withheld.

#### **G. Compensation Plan / Policy**

1. The Town determines compensation based on performance, classification, length of service with the Town and other economic and job considerations. Employee compensation is reviewed annually.
2. The Town Manager may move any class or position from one pay grade to another pay grade or adjust any salary, as economic or unique local employment markets may require. If after reallocation an employee's salary is below the minimum pay rate for the new grade, the employee's salary may be adjusted to the new grade's minimum salary.
3. No person shall be hired for any position not previously classified, nor shall any salary be designated for any new position until a position description has been prepared and the position has been classified and assigned a salary range by the Town Manager upon the recommendation of the Human Resources Director.
4. New Employees:
  - a. All new employees usually enter Town service at the minimum salary range.
  - b. The Department Head may recommend the hiring of a new employee above the minimum salary range. However, recommendation to hire above the minimum range must include justification including, but not limited to, that the candidate has substantial qualifications that exceed the minimum requirements, or that the position is particularly difficult to fill. This justification should be submitted with the approved recommendation to hire. The Town Manager will review the request for consideration of approval. Budgetary limitations, and wage compression should be considered when making a recommendation to hire above the established minimum salary range.
5. When a position is reassigned to a lower pay grade, or when the minimum and maximum rates for a position are decreased, the pay of an employee may remain unchanged for subsequent annual performance appraisal periods.

6. If an employee's salary exceeds the maximum rate for a pay range, the employee shall not be eligible for increases of any type, unless:
  - a. Subsequent pay adjustments for the position re-establish the maximum for the class;
  - b. The employee is subsequently promoted, and the rate of pay is below the maximum for the class to which the employee is promoted; and/or
  - c. A special salary adjustment is approved by the Town Manager (see below).
7. Special salary adjustments may be utilized for a pay increase not provided for elsewhere under established policies. Special salary adjustments are subject to review and approval by the Town Manager and shall be within approved budget limitations. Special salary adjustment requests must meet at least one of the following requirements to be considered:
  - a. Serious inequity in internal and/or external professional comparability;
  - b. Exceptional or unusual conditions associated with an employee's job classification;
  - c. Additional permanent responsibilities not required in the employee's current job classification;
  - d. Reorganization; and/or
  - e. Initial increase following six (6) months employment, for certain positions which are difficult to fill or retain.
8. Department Heads may recommend monetary incentive programs and bonus awards that directly relate to measurable performance criteria. The Town Manager must approve all monetary incentive programs and bonus awards prior to implementation. Such incentives are discretionary and shall not be considered an entitlement.

#### **H. Performance Evaluations**

1. The primary purpose of the employee performance evaluation program is to inform employees how well they are performing and to offer constructive criticism on how an employee can improve his/her performance. Performance evaluations shall also be considered in decisions affecting salary advancement, merit, promotion, reassignment, dismissal and training needs.

2. The employee's immediate supervisor shall be responsible for completing a performance evaluation on the form provided and approved by the Town at the time prescribed for each employee under his/her supervision. In the case of unsatisfactory performance, the supervisor will include written comments as to remedial actions required by the employee. After review by the responsible Department Head, the completed evaluation shall be discussed with the employee and the employee will be encourage to add comments if desired. After the discussion is completed, both the supervisor and the employee shall sign the completed evaluation form and submit to Town Manager for signature.
3. The Department Head shall review the performance evaluation report completed by each supervisor under his/her jurisdiction before the report is discussed with the employee.
4. Non-bargaining unit employees who receive any individual rating below "satisfactory" on their annual performance-based evaluation will not be eligible to receive the full merit increase until such deficiency(ies) is remedied. The immediate supervisor must provide comments under the improvement plan which are required for conditional and unsatisfactory ratings in any of the performance categories. Such employees shall be subject to corrective or disciplinary action up to and including termination if the required improvement is not achieved.

#### **I. Exit Interviews**

The Human Resource Director shall attempt to conduct an exit interview with each employee who separates employment with the Town. The interview is used as a tool to determine problem areas and improve working conditions.

#### **J. Professional Development Seminars and In-Service Training Programs**

1. The Town sends employees to professional development seminars and in-service training programs for topics that are job-relevant to an employee's job description or for those employees eligible for transfer, reassignment or promotion to other positions. This training is provided at no cost to the employee and on-the-job with no deductions from accumulated times.
2. In the event the Town requires (and pays for) the employees to participate in a certificate or licensing program related to the employee's duties or required to meet the minimum qualifications of the employee's essential functions, the employee shall remain employed by the Town for a minimum of twelve (12) months from the date of completion of the certificate or licensing program. If the employee voluntarily leaves the employment of the Town prior to the expiration of this period, the employee shall repay the Town for the costs associated with the certification received in the prior twelve (12) months.

## K. Education Assistance

1. The Town offers its full-time employees (who apply for and are approved) a partial tuition reimbursement for college courses. Courses must be from an accredited public or private academic institution, directly related to an employee's particular job, position or assignment, and taken for academic credit toward a degree. The reimbursement is conditioned upon achieving a grade of "C" or better, or its equivalent, and is limited to one-half of the tuition cost of the tuition of a similar course at a State University. Tuition reimbursement will apply only to tuition cost and it will exclude any scholarship, grant or the like. Reimbursement will not cover application fees, testing of any kind and/or other fees.
2. Any employee who receives a tuition reimbursement shall remain employed by the Town for a minimum of twelve (12) months from the date of completion of any college course for which the Town has provided the employee a reimbursement.

If the employee voluntarily leaves the employment of the Town prior to the expiration of this time period, the employee shall repay the Town all college tuition reimbursement received in the prior twelve (12) months.

3. This program is contingent on annual funding availability.

## L. Anti-Discrimination, Harassment and Other Complaint Policy

1. It is the Policy of the Town that all employees enjoy a work environment free from discrimination and/or harassment. Discrimination and harassment are forms of misconduct which undermine the integrity of the employment relationship, lower morale, and interfere with work effectiveness. This policy applies equally to any discrimination or harassment based on race, sex, gender, national origin, religion, age, disability or any other legally protected status. **Discrimination and harassment are illegal and will not be tolerated.**
2. No employee should be subjected to derogatory verbal or nonverbal references regarding his or her race, sex, gender, national origin, religion, age, disability, or any other legally protected status. No employee, male or female, should be subjected to unsolicited, offensive and unwelcome sexual overtures or conduct (verbal or physical).
3. Such conduct, whether committed by supervisory or non-supervisory personnel or by third parties or elected officials, is specifically prohibited by state and federal law, as well as by the Town.

4. It is the responsibility of all supervisors and Department Heads to ensure that discrimination and/or harassment does not take place. At a minimum, Department Heads are required to inform all employees of this policy and to immediately correct any problems that may arise. Supervisors and Department Heads are responsible for maintaining a work environment that is free from discrimination and/or harassment, as well as any other conduct which creates a hostile work environment for any individual.
5. The Town recognizes that invalid, unfounded or false accusations of discrimination and/or harassment can have serious effects on innocent individuals. Therefore, the Human Resources Director shall thoroughly, and as confidentially as possible, investigate with the assistance of the applicable Department Head(s), and if appropriate, legal counsel, any and all complaints of discrimination and/or harassment to determine the most appropriate disposition. Each and every complaint or allegation of discrimination or harassment shall be reported immediately to the Human Resources Director by the Department Head.
6. Harassment and discrimination participants fall into three (3) categories: the alleged offender, the alleged victim and any witnesses. Any of the three (3) can be found in violation of the Policy. A Town employee violates this Policy by participating in discriminatory and/or harassing practices, permitting subordinate employees to engage in such practices, filing false charges or malicious complaints or retaliating against employees who report instances of discrimination and/or harassment.
7. Appropriate disciplinary action shall be taken against any and all individuals who violate the Policy. Any violation of the Policy shall result in disciplinary action up to and including immediate termination from employment.
8. Definition of Sexual Harassment
  - a. Sexual harassment, a form of prohibited conduct, means any unwelcome sexual advance, requests for sexual favors or other verbal or physical conduct of a sexual nature when: (a) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment; (b) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or (c) such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.
  - b. Sexually harassing conduct includes, but is not limited to:
    - i. Verbal conduct such as suggestive or offensive comments, lewd remarks, and sexual propositions.
    - ii. Non-verbal conduct such as derogatory or pornographic displays, cartoons or drawings, sexual gestures, leers or stares.

- iii. Physical conduct such as touching, kissing, patting, brushing up against someone, or assault.
- c. Sexual harassment does not refer to occasional compliments of a socially acceptable nature. It refers to behavior which is not welcome, which is personally offensive, which debilitates morale, and which interferes with work effectiveness. Some behavior that may be acceptable in social settings is not appropriate in the workplace and is considered insulting and demeaning to the victim. In addition, no one should imply, joke about, or threaten that an applicant or individual's employment, assignment, compensation, advancement, career development or any other term or condition of employment is subject to submission or acquiescence to sexual harassment.

9. Definition of Discrimination and Other Harassment

- i. The term discrimination may include any offensive or unwelcome physical, written, or spoken conduct which is premised on any legally protected status such as race, sex, gender, national origin, religion, age, or disability. Such prohibited conduct includes, but is not limited to, jokes or comments relating to any protected category; the display or circulation of printed materials that reflect mockery, disapproval, stereotypes, hostility, anger or violence based on any protected grounds; or the assignment of work, discipline, or benefits based on any protected grounds.
- ii. Harassment may also be any discrimination by any employee that substantially interferes with an individual's performance or creates what a reasonable person could consider to be an intimidating, hostile, abusive or offensive working environment.

10. Complaint Procedure

- a. The following procedures should be followed when an employee thinks he or she is the victim of discrimination, harassment and/or other complaint, regardless of whether the allegations are against another employee, including a Charter Officer (i.e., Town Manager, Town Attorney), an elected official or a third party:
  - i. Step 1. Anyone who believes that he or she may have been subjected to discrimination and/or harassment should, whenever reasonably possible, first inform the offending party that such behavior is offensive and will not be tolerated.
  - ii. Step 2. Because proving a claim of discrimination or harassment can be difficult, the victim should keep a record of times, places and specific details,

including witnesses. If the behavior continues, the employee may file a formal, written complaint with his or her supervisor, Department Head, the Town Manager and/or the Human Resources Director. The Town strongly discourages employees from making anonymous complaints because anonymous complaints are very difficult to properly investigate. As such, the Town reserves the right to decide whether or not to investigate anonymous complaints.

- iii. Step 3. If the supervisor is the offending party, the employee may file the written complaint directly with that person's supervisor, the Department Head or the Human Resources Director.
- iv. Step 4. Once an employee notifies a supervisor of such a problem, the supervisor shall notify the Department Head immediately and in writing of the situation and shall provide a copy of the complaint submitted by the employee. Department Heads that learn of discrimination and/or harassment allegations are obligated to immediately notify the Human Resources Director in writing. Where a complaint is made against a Charter Officer or an elected official, the complaint shall be forwarded by the Human Resources Director to the Town Commission for action.

## 11. Investigation

- a. Complaints will be investigated by the Human Resource Director and the Department Head and/or an independent third party in a confidential and timely manner and in accordance with the Public Records Law. Note that any investigation of a complaint made against a Charter Officer or an elected official will be conducted by an independent third party. Information concerning an active complaint will not be released by the Town to third parties or to anyone within the Town who is not directly involved in the investigation, except as may otherwise be required by law or by a court of competent jurisdiction. The purpose of this provision is to protect the confidentiality of any employee who files a complaint, to encourage the reporting of all instances and to protect the reputation of any employee charged with discrimination and/or harassment until such allegations can be fully investigated.
- b. All participants involved in an investigation are expected to maintain their involvement in or discussion of the investigation confidential, except insofar as disclosure is required in obtaining or being represented by legal counsel. *The failure to abide by this confidentiality requirement constitutes a violation of this Policy.*

- c. Disciplinary action taken as a result of discrimination and/or harassment will become part of the personnel file of the offending employee and is subject to disclosure pursuant to Public Records Law.
- d. The investigation of a complaint will normally include conferring with the parties involved and any named or apparent witnesses. Tape recorded statements may be taken of any or all the individuals involved. All employees will be guaranteed fair and impartial treatment, and shall be protected from coercion, intimidation, interference or discrimination for filing a complaint or participating in an investigation.
- e. A determination will be made as to whether a complaint is sustained, not sustained or unsubstantiated. A complaint is sustained when there is sufficient evidence presented to reasonably establish that the sexual harassment and/or discrimination occurred. A complaint is not sustained when there is sufficient evidence presented to reasonably determine that the sexual harassment and/or discrimination did not occur. Finally, a complaint is unsubstantiated when there is insufficient evidence presented to make a final determination as whether there was or was not sexual harassment and/or discrimination (i.e., when there is a “he said, she said” scenario without witnesses who may corroborate either version of the story).
- f. If a complaint is sustained, an offending employee may be subject to disciplinary action which may include termination from employment. Any Department Head or supervisor is under a continuing duty to take immediate remedial action to stop or prevent discrimination and/or harassment. If the Department Head or supervisor fails to take such action, and the misconduct was known, or should have been known, to him or her, the Department Head or supervisor in question shall also be subject to disciplinary action which may include termination from employment. If the complaint is sustained against a non-party, the Town Manager may determine what if any action to take against that non-party. If the complaint is sustained against a Charter Officer and/or elected official, the Town Commission shall determine what if any action to take.
- g. Even if the investigation fails to disclose the existence of any discrimination or harassment, the Town reserves the right to nonetheless take action. Such action may include counseling, a reminder of the Policy, a written warning, or termination. Additional mandatory training will be provided if in the Town’s discretion, such training is necessary.

12. Follow Up

Once an investigation has been concluded, the Town will continue to monitor the employees involved in discrimination and/or harassment complaints to ensure that no future incidents of discrimination and/or harassment occur.

13. Retaliation

The Policy prohibits retaliation against employees who bring complaints of discrimination and/or harassment or who assist in investigating such complaints. Any employee bringing a complaint of discrimination or harassment or assisting in the investigation will not be adversely affected in terms and conditions of employment. Nor shall any employee take any action against a complainant that is intended to discourage the complaint. Retaliation by any employee against the complainant could result in disciplinary action, up to and including termination.

14. Conclusion

The Town is dedicated to maintaining a working environment that is free of discrimination and/or harassment and is based on professionalism. It is expected that all employees will continue to act responsibly in fulfilling the Town's commitment to working in an environment totally free of discrimination and/or sexual harassment. To that end, it is also expected that employees will prudently avail themselves of the mechanisms provided by the Policy. To the extent any provision of the Policy is inconsistent with any other Town personnel policy or directive, the provisions of the Policy will control with respect to claims of discrimination and/or harassment.

**M. Whistle Blowing and Other Retaliation**

1. Whistle Blowing is defined as a person who tells someone in authority about alleged dishonest or illegal activities (misconduct) occurring in a government department, a public or private organization, or a company.
2. The Town encourages our employees to report, in accordance with the Town's procedures and with Section 112.3187, Florida Statutes, any violations of the laws, or the Town's policies contained in the Manual. Each employee is assured of protection from any retaliation resulting from the reporting of such problems. Should any employee experience a situation they believe to be retaliatory in nature he/she should report the matter immediately to their supervisor, Department Head and/or the Human Resource Department.
3. Anyone who engages in retaliation against an employee who has, in good faith, reported a violation of the laws outlined above and/or the Town's policies based on those laws, whether or not one agrees with the facts reported, is subject to discipline up to, and including, termination.

## **N. Weapons at Work**

Employees are not allowed to have weapons in their personal possession on Town property while at work, unless these weapons are necessary to perform their job or as authorized by the Town Manager. Employees who violate this policy will be subject to disciplinary action up to and including immediate dismissal.

## **O. Workplace Violence**

1. Violence or threats of violence are prohibited in the Town's work locations. It is the shared obligation of all employees to act individually and jointly to report and prevent actual or implied violent behavior at the workplace. Violence or the threat of violence, by or against any employee of the Town or other person is unacceptable and will subject the perpetrator to serious disciplinary action and possible criminal charges. Town employees are required to cooperate with law enforcement officials to aid in the prosecution of anyone who threatens to commit or does commit violent acts against other employees or individuals having business with the Town.
2. Any employee or supervisor who becomes aware of a threat made by another employee or has observed or has been made aware of the potential or actuality of violence in the workplace should immediately contact a supervisor who in turn has the responsibility to contact the Town's Human Resources Director and/or the Police Department, if necessary. No employee who acts in good faith in reporting violence or threatened violence in the workplace will be subject to retaliation or harassment based upon such reporting.
3. The Town also recognizes that employees may be involved in personal disputes with family members, neighbors, or personal acquaintances. An employee who applies for a restraining order which lists the Town work area as a protected area must inform his or her supervisor of such action and provide a description of the individual restrained by the order. If a court order has not been secured but the employee feels threatened, the employee should notify the immediate supervisor and the Police Department.

## **P. Anti-Bullying**

1. Because the Town is committed to providing a stable and safe workplace, it prohibits bullying of any type in the workplace.
2. Bullying includes behavior occurring in the course of work that impairs the ability of an employee to perform work duties or is reasonably perceived as being so severe and/or objectively offensive so as to have that effect. This includes, but is not necessarily limited to, acts that are reasonably perceived as being humiliating, dehumanizing, hostile, intimidating, or physically aggressive. Employees who engage in bullying as defined by this section may be subject to disciplinary action, up to and including termination.

3. The legitimate and reasonable exercise of management rights should not be construed to constitute bullying or harassment such as evaluating work performance, issuing directives about work duties, making justifiable decisions related to recruitment, selection and other employment opportunities, enforcing implemented workplace policies or collective bargaining provisions, if applicable, and addressing allegations of misconduct and imposing disciplinary actions, where appropriate.

#### **Q. Staff Search and Security Policy**

The Town reserves the right to conduct an investigation of missing property or other suspected rule or policy violations. Offices, desks, lockers and file cabinets are the property of the Town and are subject to search by the Town at any time without prior notice.

#### **R. Drug Free Workplace Policy**

In a strong commitment to safeguard the health of our employees, to provide a safe working environment for both our employees and invitees, and to set an example for the citizens of the Town of Surfside, Florida, especially its youthful residents, we have established a Drug and Alcohol-Free Workplace Policy and Substance Abuse Testing Procedures which comply and comport with both federal and state laws, regulations and judicial rulings.

This policy is implemented pursuant to the Drug Free Workplace Program as codified within the laws of the State of Florida at § 440.102, the Florida Administrative Code, Drug Free Workplace Standards found at Chapter 59A-24 of the State of Florida Administrative Code, the rules of the Department of Labor and Employment Security, Division of Workers' Compensation, as well as the Federal Drug Free Workplace Act of 1988 and 1989.

Under the policy it is a condition of employment for all Town of Surfside employees to refrain from ingesting illegal substances at all time and from reporting to work or working with presence of drugs or alcohol endangers not only the health and safety of our employees, in addition to causing poor morale and employee relations problems, but most importantly, such use and/or abuse directly impairs the employee's ability to safety and efficiently perform his or her assigned tasks and job functions by contribution to tardiness and increasing employee accidents, absenteeism, and substandard job performance.

The essential components of this policy are:

- I. The Town of Surfside in accordance with the requirements of a Drug Free Workplace has a “**zero tolerance**” and therefore prohibits the illegal use, possession, sale, manufacture or distribution of drugs, alcohol or other controlled substances on its property or in its vehicles.

It is also against the Town of Surfside's policy to report to work or to work under the influence of illegal, non-prescribed drugs or alcohol. Employees who violate this policy are subject to disciplinary action up to and including termination. Any employee who is taking any prescription drug which might impair safety, performance, or any motor functions must advise his or her immediate supervisor or the Human Resources Director before reporting to work while on such a medication.

II. **Drug Testing of Applicants:** The Town of Surfside recognized employees have a constitutional right under the Fourth Amendment against unreasonable searches; however, all applicants considered final candidates for a position, to the extent permitted by Florida law, will be tested for the presence of drugs as part of the application process. All applicants for positions requiring a commercial drivers' license will be tested for drugs pursuant to federal law.

1. Applicants will be required to sign a Consent to Pre-Employment Screening form;
2. if the applicant refuses to sign the form or refuses to submit to the screening when asked, he or she will not be considered for employment and the employment application process will be concluded at that time; and
3. if an applicant's test is confirmed positive, the applicant will not be considered for employment at that time and will be informed that he or she has failed to meet standards.

III. **Reasonable Suspicion Substance Abuse Testing:** The Town will require any employee to submit to a drug or alcohol test when it has a reasonable suspicion that the employee to be tested is thought to be under the influence of or possibly using illegal drugs, narcotics and/or alcohol. The term "reasonable suspicion" for the purpose of this policy, shall be defined as follows:

1. Aberrant or unusual on duty behavior or deportment of an employee;
2. Behavior which is a recognized and accepted symptoms(s) of intoxication or impairment caused by a controlled substance, including alcohol; and
3. The behavior of the employee is not reasonably explained as resulting from causes other than the use of a controlled substance, including alcohol.

Inappropriate employee behavior as described above must be personally observed by a Town managerial or supervisory employee and witnessed by at least one (1) other employee witness, who may or may not be a supervising employee.

When confronted by a supervisor/managerial employee, the employee under suspicion will be offered an opportunity to explain to the supervisor/manager, prior to being ordered to take the drug and/or alcohol test, why the aberrant or unusual behavior is noticeable. Drug and/or alcohol testing based upon reasonable suspicion will be conducted only with either the request of a

Department Head or his/her designee and the Human Resources Director with the consent of the Town Manager or his/her designee. Such approval shall be memorialized in writing and indicate the subject matter of the test, why the test was ordered and listing the specific objective fact(s) constituting “reasonable suspicion.” A copy of this written order will be provided to the employee as soon as it is practicable to do so.

Any refusal on the part of the suspected employee to immediately comply with a valid “reasonable suspicion” substance abuse testing order will result in the immediate causal termination of the employee.

IV. **Substance Abuse Testing Procedures:** The following procedures shall apply to the substance abuse testing administered to employees who meet the above stated conditions:

1. The Town may request urine and/ blood samples. The employee may, at his/her sole option and expense, upon request receive a blood test in addition to a urine test if none were ordered. The sample will be split to preserve a portion of the sample for future testing.
2. Analysis of specimens will be collected and performed only by laboratories, hospitals, a certified collector or clinics certified by the State of Florida Agency for Health Care Administration (AHCA) of the Federal Substance Abuse and Mental Health Services Administration (SAMHSA), or certified by the Drug and Alcohol Testing Industry Association (DATIA) utilizing qualified sites and employing collectors trained to follow custodial collection protocols and properly maintain legal specimen chain-of-custody.
3. Urine or blood specimens shall be drawn or collected at a laboratory, hospital, doctor’s office, certified medical facility or even on Town premises by a certified health care professional. Employees being tested may request a representative of their choice to accompany the employee to the substance abuse test and observe the collection of other specimen. If the Town or the collector requires an observer when the urine specimen is given, the observer shall be of the same sex as the employee being tested. All specimen containers and vials shall be sealed with evidence tape and labeled in the presence of the employee and his/her witness.
4. All substance abuse testing will be conducted using recognized technologies and recognized testing standards. The following standards shall be used to determine what level of detected substance shall constitute a **POSITIVE** test result.

Substance	Screening Test	Confirmation
Amphetamines	1000 ng/mL	1000 ng/ML
Barbiturates	300 ng/mL	300 ng/mL
Benzodiazepines	300 ng/mL	300 ng/mL
Cocaine	300 ng/mL	300 ng/mL
Cannabinoids (Marijuana)	50 ng/mL	50 ng/mL

Methadone	300 ng/mL	300 ng/mL
Methaqualone	300 ng/mL	300 ng/mL
Opiates (Heroin, Morphine, Codeine)	300 ng/mL	300 ng/mL
Phenecyclidine (PCP)	25 ng/mL	25 ng/mL
Propoxyphene	300 ng/mL	300 ng/mL
Alcohol (Ethanol)	0.02 g%	0.02 g%

The levels used will be same as those set by the Federal Government CDL Program. As those levels change so will the levels in this policy. Levels found below those set above shall be determined as negative indicators. Tests for other non-presented controlled substances will be in accordance with federal government screening and confirmation standards.

5. A Certified Medical Review Officer (MRO) will review all negative and confirmed positive laboratory results. Positive results will be communicated to the Town’s Human Resources Director after the MRO has ascertained that personal prescriptions or other legal substances do not account for the laboratory findings. Investigations may include, as appropriate, telephone contact with the employee and any prescribing physician. Employees may consult the Town appointed MRO concerning drugs and/or drug groups that may be tested for under this procedure.
  6. An employee who tests positive will be sent a “Notice of Positive Drug Test Result” letter containing the laboratory and the MRO’s telephone numbers as well as pertinent information concerning the drug test result challenge/appeal process. Within five (5) working days after receiving written notification of a confirmed positive test result which has been verified, an employee may request a further test for the split sample and may submit information to the Town and/or the MRO contesting the test results. If the explanation or challenge of the employee or job applicant is unsatisfactory to the Town, the Town, within fifteen (15) days of receipt, will provide a written explanation as to why the employee or job applicant's explanation is unsatisfactory, and a copy of the report of positive confirmed test results. Such documents shall be kept confidential and maintained by the Town for at least one (1) year.
  7. The results of all urine and blood tests performed hereunder will be held confidential to the extent permitted by law.
  8. Any adulteration of specimens before during or after the substance abuse test, will constitute immediate grounds for employee discharge from employment.
- V. **Post - Accident Testing:** Employees will be required to undergo urine and/or breath testing for all work-related accident that have caused a death or any personal injury or property damage in excess of \$500.

1. Employees must adhere to post-accident specimen collection requirements as a condition of employment.

- VI. **Disciplinary Consequences for Positive Substance Abuse Test:** Disciplinary consequences for violating the Town's Drug and Alcohol-Free Workplace Policy may include termination of employment and denial of Unemployment Compensation benefits. An employee injured and subsequently confirmed positive for drug or alcohol abuse based upon post-accident testing may not get Workers' Compensation benefits under State law.
- VII. **Voluntarily Acknowledgment of Substance Abuse Problem:** Nothing in the Town's Drug and Alcohol-Free Workplace Policy shall prohibit an employee from voluntarily self-identifying as having a substance abuse problem to either his/her immediate supervisor or Human Resources Director. Requests from employees for assistance in this regard shall remain confidential to the extent permitted by law. Employees enrolled in substance abuse programs as outpatients, shall be subject to all Town rules, regulations and job performance standards. There will not be discipline for voluntary requests for assistance involving a personal substance abuse problem if such request is made before drug/alcohol abuse leads to disciplinary problems. The Town is not required to provide work if employee is unable to perform his/her duties.
- VIII. Drug and alcohol abuse are serious personal concerns for many individuals. The Town of Surfside provides employees in such circumstances with the services of an Employee Assistance Program which may be called to obtain confidential professional referral assistance.

## S. Family and Medical Leave Act (FMLA)

1. Employees who have been employed for at least one (1) year *and* have worked for at least 1,250 hours during the preceding 12-month period are eligible for family and medical leave. Except for those employees designated as “highly compensated employees,” employees will be returned to the same or to an equivalent position upon their return from leave.
2. Family or medical leave will consist of appropriate accrued paid leave and unpaid leave. An employee must use all of his or her accrued paid vacation leave and sick leave when on family or medical leave. The remainder of the leave period will then consist of unpaid leave.
3. All employees who meet the applicable time-of-service requirements may be granted a total of twelve (12) weeks of unpaid family leave and paid sick and vacation leave combined, as appropriate in a 12-month period (calendar year), for the following reasons:
  - a. The birth of the employee’s child and in order to care for the child (the entitlement to leave for the birth of a child will expire twelve (12) months from the date of the birth);
  - b. The placement of a child with the employee for adoption or foster care (the entitlement to leave for placement of a child for adoption or foster care will expire twelve (12) months from the date of the placement);
  - c. To care for a spouse, child or parent who has a serious health condition;
  - d. A serious health condition that renders the employee incapable of performing the functions of his or her job; or

2. Disciplinary action should be administered to the employee as soon after the event as practicable. Typically, where progressive discipline is deemed appropriate, it shall be implemented as follows:

- a. Verbal Counseling: Verbal counseling is used to notify and counsel an employee so that corrective action can be taken prior to formal written documentation. Verbal counseling is considered informal disciplinary action and need not be documented in the personnel file.
- b. Written Warning: The counseling or disciplinary action shall be documented in writing with notice provided to the employee. The notice shall advise the employee that future offenses may result in additional disciplinary action, up to and including suspension or termination of employment. The notice shall advise the employee that any future offenses may result in additional disciplinary action up to and including termination. A copy of the written notice shall be provided to the employee and to the Human Resources Director for inclusion in the employee's official personnel file. A copy of the written notice shall be provided to the employee and to the Human Resources Director for inclusion in the employee's personnel file. Demotion requires approval by the Town Manager.
- f. Termination: The authority to discharge shall not be delegated below the Town Manager level. A written notice of termination shall be provided to the employee with a copy to the Human Resources Director for inclusion in the employee's official personnel file.

#### **D. Appeals for Termination or Reduction in Pay or Rank**

Any employee of the Town, except the Town Manager, Town Clerk and Town Attorney, who immediately prior thereto has been continuously employed by the Town for at least two (2) years, if he/she claims to have been discharged or reduced in pay or rank without cause, may file within twenty (20) days from his/her discharge or reduction in pay or rank, an appeal with the Personnel Appeals Board (the "Board").

## **E. Rules of Personnel Appeals Board**

1. Any employee of the Town, except the Town Manager, Town Clerk and Town Attorney who has been employed by the Town for over two (2) years and who claims to have been discharged or reduced in pay or rank without cause, may file with the Board a written appeal (the "appeal"). The appeal must set forth the facts regarding his/her discharge or reduction in rank or pay, allege that he/she has been continuously employed by the Town for at least two years, and request a hearing.
2. The appeal must be filed by the employee within twenty (20) days from his/her discharge or reduction in pay or rank. An employee who has been demoted for failure to satisfactorily complete a promotional probationary period to a higher rank or position shall not have the right to appeal to the Board.
3. Within fourteen (14) days after the filing of the appeal, the Board shall give the employee written notice, at his/her last known address, of the date set for the formal hearing of the appeal (the "hearing"). The date of the hearing shall be no later than thirty (30) days after the date of the filing of the appeal.
4. The purpose of the hearing is to provide an informal forum for the presentation of information by the Town and the employee to determine whether the Town had cause to discharge or reduce the employee's pay or rank.
5. A quorum must be present at the hearing. Four members of the Board constitute a quorum.
6. At the beginning of the hearing, the Board shall select a chairperson. Although a formal evidentiary hearing is not contemplated, rulings on objections and other questions of law shall be made by the chairperson, with the assistance of the Town attorney. Only evidence material to the issue at hand shall be accepted by the Board.
7. At the hearing, the Board shall be represented by the Town Attorney. The Town Attorney shall advise and assist the chairperson and the Board in the conduct of the hearing, including questions of law and evidence. Before making any ruling(s), the chairperson or any member of the Board may request the opinion of the Town attorney.
8. The Town Manager, Department Head or other Town employee responsible for the discharge or reduction in pay or rank of the employee shall present his/her testimony to support the action taken by or through him/her.
9. The employee shall then have the right to present testimony to refute the charges brought against him/her.

10. The Board shall have the right to administer oaths; and the Board may, on its own motion or at the request of either party, call or subpoena any person or records for the purpose of ascertaining the facts.
11. Witnesses may be called to testify at the hearing by either the Town or the employee and their names shall be included on a witness list to be provided to the Board and the other party at least five (5) days prior to the hearing.
12. The decision of the Board must be based on whether the Town's discharge or reduction in pay or rank of the employee was for cause. In order for the Board to find the Town Manager or his/her designee acted without cause, the Board must find there was no basis for the adverse employment action. The Board shall then take one or more of the following actions: order a new hearing; dismiss the appeal on the merits; order the reinstatement of the employee, absolutely or on terms or conditions; or require such other action as may be just.
13. The decision of the Board, if concurred by four members, shall be binding upon the Town and the employee and shall be recorded by resolution.

**ACKNOWLEDGEMENT/RECEIPT OF POLICIES AND PROCEDURES MANUAL**

I have this day received a copy of the Town of Surfside Employee Policies and Procedures Manual (the "Manual") and I understand that I am responsible for reading the Town's policies and practices described therein. I understand that the Manual replaces any and all prior policies and practices of the Town.

I agree to abide by the policies and procedures contained in the Manual. I understand that the policies and benefits contained in the Manual may be added to, deleted or changed by the Town at any time. I understand that neither the Manual nor any other written or verbal communication is intended to in any way create a contract of employment, and that the Manual is for informational purposes only. I also understand that the employment with the Town is at-will for the first two (2) years, which permits the Town or the employee to terminate the employment relationship at any time, for any reason, with or without notice.

If I have any questions regarding the content or interpretation of the Manual, I will bring them to the attention of my supervisor and/or the Human Resource Director.
