

Town Manager's Message

Rather than focus on a central theme this month, this message will include a number of happenings that you should know about:

- Congratulations to Duncan Tavares for his promotion to Tourism, Economic Development & Community Services Director. Duncan has taken on broad new responsibilities over the past six months and has handled a number of special projects with excellence that sets a standard for our Surfside workforce.
- Welcome to Bill Evans as our new Public Works Director (see page 3). Bill has vast experience in Public Works and will bring a new level of attention to detail that will help our Town to shine and make us all proud.
- The Community Center construction is coming along with all the complex problems of completing a building being solved. Look to enjoying this building this summer with a full complement of opening events and activities. Also, check out the Buy a Brick program to have your special message built into the walkway for the Center (see page 2). Thanks to Cheryl Arnold and Pam Behar who are heading up this program.
- The first meeting of the Downtown Vision Committee was held and there was near unanimity in support of a beefed up Code Compliance program. Letters have gone out to all businesses and property owners in the downtown area notifying that we will be inspecting and coming up with a list of violations. We hope for voluntary compliance and will work closely with the business people to "clean up fix up" and make our downtown look and feel better. Longer term solutions will be discussed over the next few months.
- The Town will be implementing a commercial vehicle parking ordinance which restricts parking such vehicles on the streets after certain hours in single family neighborhoods. There will be a 60 day warning period. Our goal is to resolve a long standing issue with a reasonable level of regulation.
- Spring Youth, Adult and Senior programs registration begins for the Parks and Recreation Department in March (See Page 4). Also check out summer camp registration.
- The Town Clerk's office in conjunction with the Building Department will soon implement a new document imaging and records retention program. We have nearly three million documents to image. When this is done all departments will have ready access to documents. We will save money on outside storage and

Bill Evans is the new Director of Public Works for Surfside, taking the helm of the 20-employee department tasked with keeping the Town's water, sewer and roads in good working order.

response to request for information from our citizens will be much easier.

- The Finance Department is nearing completion of the Town's audit for Fiscal Year 09/10. This year's audit will include much greater disclosure of information about the Town and its finances and will be available for you to read on-line.
- The Water/Sewer/Storm Drainage project is making progress. The Town Commission has authorized staff to obtain bids from seven pre-qualified contractors and we are making progress on the financing. The Citizen's Oversight Committee is reviewing the plans and specifications and will soon review the financing.
- The budget process for Fiscal Year 11/12 is underway with a priority setting meeting for the Town Commission scheduled from 3-7 p.m. on March 1. Join us in the Commission Chambers to express your views on the many issues confronting the Town. The budget sets the priorities for next year and establishes the property taxes. It is very important that your thoughts are known.

These are just a few of the many things happening at Town Hall and in the community. As always thanks to you and the Town Commission for the opportunity to be Town Manager of this wonderful community.

2010 Officer and Civilian of the Year

The Surfside Police Department recently named two deserving individuals as Officer and Civilian of the Year for 2010: Sgt. Rory Alberto and Elinor Joseph.

Sgt. Rory Alberto was named Officer of the Month numerous times during the year for his outstanding police work. His achievements included arresting a car burglar, arresting a prowler, arresting a bicycle thief, leading a plainclothes detail to combat burglaries and making an arrest in an armed home invasion. In addition to directly fighting crime, Sgt. Alberto was also commended for leading tours of the police department for visiting Cub Scouts, serving as a police instructor for officers visiting from Colombia and leading a department committee to develop new laptop and radio procedures.

Congratulations to a respected law enforcement professional who leads by example!

Civilian of the Year **Elinor Joseph** is the Department's only Public Service Aide (PSA), accomplishing multiple tasks that were once handled by several individuals. Elinor has stepped forward to serve the department admirably. His typical day begins by monitoring school bus stops to insure safety of the children and monitoring the business district to prevent parking violations by construction workers. He also stations the electronic sign to deter speeding motorists and serves as the manager of the Department's Property and Evidence room. Elinor also serves as a maintenance coordinator, checking that fleet vehicles, radios and speed measuring devices are in working order. Elinor is also trained as a dispatcher and often serves in relief of others working in that position.

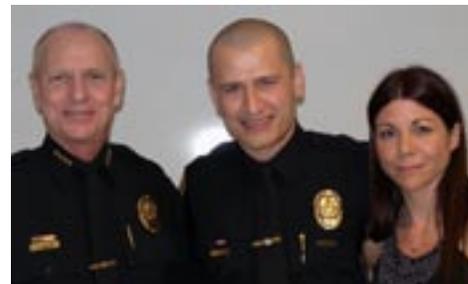

(L-R) Chief David Allen, Elinor Joseph, Sgt. Rory Alberto, Assistant Chief of Police John DiCenso and Mayor Daniel Dietch.

Elinor has an outstanding work ethic, positive attitude and is always willing to help others. He provides exemplary support to the Department. Congratulations Elinor!

Julio Torres Promoted to Sergeant

Julio Torres, a member of the Surfside Police Department for five years, has been promoted to Sergeant. He has served as a patrol officer, a tactical instructor, a member of both the Miami Beach SWAT team and the Surfside Criminal Investigation Unit. He is also detached to the South Florida Money Laundering Strike Force and works undercover in conjunction with the State of Florida and several Federal agencies.

(L-R) Chief David Allen, Sgt. Julio Torres and his wife, Alba.

Surfside Crime Statistics Drop 17%

Congratulations to the entire Surfside Police Department for their diligence and professionalism. Through their vigilant actions, the Town's overall crime
