

Town Manager's Message

It is an honor and privilege to work with our men and women in blue including Surfside Police Chief David Allen, who recently retired after a 40-year career in law enforcement. Under Chief Allen's leadership and organizational skills, our community experienced a significant decrease in crime. Chief Allen was also instrumental in building a strong rapport with the residents and the businesses.

We thank Chief Allen for his tireless work in keeping our community safe and wish him good luck in his retirement. We are proud to announce the promotion of Captain Julio Yero to Police Chief. He has been a fixture in the Surfside Police Department for nearly four years and will undoubtedly do an excellent job. Chief Yero will be hosting a meet and greet event at 6 pm on Wednesday, July 11 at Town Hall. Come and congratulate the new Chief!

We hope you will join us for our annual Independence Day celebration (see Page 10). This year's festivities promise to be a blast! Additionally, our Tourist Board is sponsoring a Summer Harvest-themed First Fridays beach gathering on July 6.

Both family-friendly events are terrific ways to mingle with neighbors, meet some of our visitors and enjoy our slice of paradise.

- Guillermo Olmedillo, Town Manager

Police Chief David Allen Honored at Retirement

At their June 12 meeting, the Town Commission honored retiring Police Chief David Allen and thanked him for his dedicated service and the positive impact he has made on the Town's Police Department during his exceptional 11 years. A strong proponent of community policing, Chief Allen created programs and events to connect with Surfsiders. He oversaw the Department become a state-accredited law enforcement agency and led his outstanding team of officers and civilian staff by example through his high level professionalism, courtesy and ethics. Chief Allen received a proclamation, a key to the Town and the department's Fitness Center was named in his honor.

WATCH FOR SEA TURTLES DURING THE 2018 NESTING SEASON

As of June 15, ten sea turtles have nested on Surfside Beach

If you observe an adult sea turtle or hatchling sea turtle on the beach, DO NOT report normal crawling or nesting to the Florida Fish and Wildlife Conservation Commission (FWCC) unless the turtle is in a dangerous situation or has wandered off the beach.

Stay away from crawling or nesting sea turtles. Nesting is a critical stage in the sea turtle's life cycle. Please leave them undisturbed. DO REPORT all stranded (dead or injured) turtles to the FWCC. NEVER handle hatchling sea turtles. If you observe hatchlings wandering away from the ocean or the beach, call: 1-888-404-FWCC or *FWC (Mobile Phone).

EARTH DAY CRAFT 2018 - JELLYFISH

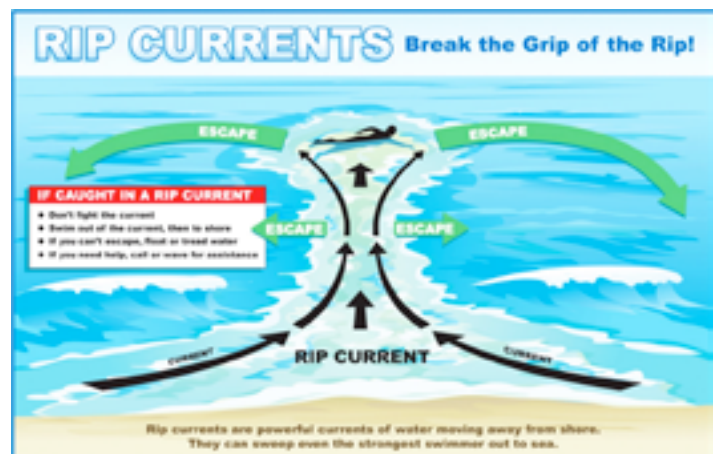

Our 2018 Earth Day Craft is a jellyfish made from recycled plastic water bottles. The sculpture promotes the importance of the environment and sea life, as well as creative ways to recycle.

In 2017, over 50 billion water bottles were used and only 11 billion are recycled. When water bottles are not

disposed of properly they often end up in the ocean and appear as food to sea life. Recycled bottles can be reused in other products (or for making fun crafts like this water bottle jellyfish).

Jellyfish are food for marine animals such as large fish and turtles - humans even consider jellyfish a delicacy! Jellyfish provide a habitat for juvenile fish and crabs sometimes use jellyfish as camouflage and transportation by catching a ride on their backs! Check out our jellyfish in the green space at the Community Center!
