MESSAGE FROM THE TOWN MANAGER

June is upon us and as we approach the third year since the tragic Champlain Towers South collapse of June 24, 2021, we pause to remember and honor the 98 lives lost on that fateful day. 98 precious souls missed daily here in Surfside and far beyond. As we reflect on this solemn occasion, let us come together to support one another. This year's Remembrance Event will take place on 88th Street, the future site of the memorial, at the request of our Memorial Committee members. Please join us on Monday, June 24 at 10 a.m. to honor those lost and support families and survivors.

June also marks the beginning of Hurricane Season which extends through November. It's crucial for all Surfsiders to take the necessary steps for preparedness. Please review your emergency plans, stock up on essentials and stay informed to stay safe during season.

The Town will be hosting several events earlier in the month including a Pride weekend celebration and our first Do the Dunes competition sponsored by the Tourist Board; I hope to see you there. Please read along for more details!

96th Street Park Update

A message from Mayor Burkett - In a presentation to your new commission last month, we learned the truth about the construction/renovation of our cherished park on 96th Street and Bay Drive.

It is important to note that the last group in charge of running our Town led everyone to believe that they were experts at construction and knew exactly how to get the park done quickly, and efficiently. All this while street flooding and the FPL undergrounding project, that had been promised to residents, were completely ignored until just before the election...for reasons which are now very obvious.

96th Street Park was imprudently rushed for completion to coincide with the March 2024 election.

At the May 14, 2024 commission meeting the depressing truth was revealed, that kids in Surfside would have to wait several more months before their treasured park will be finished. This happened because the political construction experts running our Town took shortcuts, which created giant problems.

According to the project's contractors who spoke at our meeting, those shortcuts included starting work before the permitting was complete, which resulted in:

- The special, space saving elevator for the building having to be swapped for another, which instead of being self-contained, will require addition interior space in the building for its mechanical equipment - valuable space that could have been used for programming, staff or important storage.
- Already built stairways servicing the building not being wide enough to pass code requirements.
- Significant features on the building having to be redesigned.
- Huge cost overruns related to change orders.

Ultimately responsible for the project, Hector Gomez, Town manager (far left) Shlomo Danzinger, Town mayor (second from the right)

Shortcuts weren't the only problem.

Rather than build the park and let the experts sequence the work, Danzinger, Rose and Landsman insisted that the park be completed prior to the March 2024 election. Those three men decided that it was more important to rush the work, take shortcuts and suffer the inevitable problems that come with hasty decisions. All so they could take full credit for the new park. Now, instead of a completed park that is built as designed, we are all left with something different.

An entire building that is 5 feet in the wrong direction AND a basketball court that is now in jeopardy of not being built to regulation size.

In this shot, you can see phase 1, the new field on the right getting the most attention. Phase 2 being the center and phase 3 being the building and court area.

In their haste to finish the project in an unrealistic amount of time, these three former elected officials put pressure on every contractor involved with the project to rush the job and now we find ourselves with the entire building not built where it was designed to be built according to the plans.

- Rather than complete the whole project at the same time, they divided the project into 3 phases so they could hurry up and at least put grass down, supposedly to let kids play next to a dangerous construction site and declare victory (right before the election) on only a slice of a new park! Phasing the project meant that the other phases of the project had to work around the phase getting finished first - **Slowing down the entire project further!**

Your new commission is cleaning up this mess. In order to get the park completed in a reasonable amount of time, we had to accept the elevator that take up extra valuable space in the building. We had to instruct the contractor to redesign the railings on the stairways so they would meet code. We had to undo the phasing to let the contractor work on the project as a whole in order to do the work more efficiently.

And lastly, we are working hard to mitigate the damage caused by the negligent misplacement of an entire building, which includes an effort to relocate the basketball court so it can remain regulation size.

Your new commission and Town administration are doing everything we can to get this project back on track and deliver the best park and facilities for our community that we possibly can.

We will keep you posted on our progress on the Town website.

NEW! COMMUNITY RELATIONS BOARD

The Community Relations Board (CRB) promotes mutual understanding, tolerance, and respect among diverse groups in Surfside to enhance the spirit of community within the Town. The Board advises the Town Commission on community tensions through the facilitation of dialogue and the support of local initiatives. Comprised of a diverse set of residents, the Board works proactively to prevent and resolve conflicts which may result in division and strife, fostering communication and respect among the community. Additionally, the CRB may plan events geared towards community inclusivity.

YOUTH COUNCIL

The purpose of the Council is to assist the Town in gathering information relating to issues of special interest for the Town's youth, to collect feedback and suggestions from students regarding their needs, concerns, and ideas, in order to serve as a representative voice and enhance the Town Commission's and Administration's understanding and knowledge of the needs and desires of youth within the Town.

PERSONNELS APPEALS BOARD

If a Town employee claims to have been wrongfully terminated or unfairly had a reduction in their pay or title, the employee can appeal to the Personnel Appeals Board and request a hearing. (This right only applies to employees who have worked for the Town for two years or longer, and excludes the Town Manager and Attorney.) The board has the right to administer oaths, call or subpoena any person or records for the purpose of ascertaining the facts. The decision of the board must be binding upon the Town and the employee, and must be recorded by resolution.

POLICE OFFICERS PENSION TRUST FUND

When you pay your property and casualty insurance premiums, you are also contributing to a special fund ([State of Florida Chapter 185](#)). This special fund provides enhanced pension benefits for police officers and firefighters. Each municipality creates a board of trustees, which is solely responsible for overseeing the trust fund. The Police Trust Fund typically meets quarterly at 7 a.m.

MAKE AN IMPACT! APPLY BY JUNE 15, 2024.

Applicants must be registered, qualified voters and legal Town residents. Members are appointed by the Town Commission.

HAZARDS BE GONE! HAZARDOUS WASTE DROP-OFF EVENT

From Public Works - The Town's Public Works Department hosted another successful Hazardous Waste Drop-Off event on Saturday, May 11, 2024. Residents took advantage of the day to discard their used paint products, flammable aerosols & corrosive chemicals. Also collected were electronics, including computers, cellphones, stereo equipment, dead leaky batteries, chargers, as well as bio-medical waste. Hosting this collection significantly reduces the probability of toxic waste being disposed into the stormwater system.

Dumping hazardous waste with the regular trash collection poses not only a threat to staff, but it also causes major damage to the truck, and further ends up polluting the environment when dumped at the landfill.

Residents are encouraged to take advantage of the yearly drop-off and to NOT dispose of these items with their regular trash collection.

Thank you to all the residents that participated in our annual event. The Town of Surfside remains committed to providing services to residents that help keep our environment clean.

Remember that electronics and batteries are collected year-round at Town Hall.

See you again next year!

BE READY: SURFSIDE PREPARES FOR HURRICANE SEASON

From Code compliance and Public Works - As June 1st marks the onset of hurricane season, the Town of Surfside urges residents to proactively prepare for potential storms. In line with this, here are essential steps to ensure safety and readiness:

Tree Trimming and Landscaping One of the essential steps in preparation is to evaluate all trees and landscaping on your property. Overgrown trees can pose a significant hazard during a storm. It's advisable to hire a licensed arborist to assess and trim your landscape as needed. Ensure that all power lines are free from any vegetation, including tree branches and overgrown greenery. (Remember that per the Town Code, landscaping debris generated by a contractor must be removed by the contractor.)

Outdoor Items and Debris Outdoor items can become dangerous projectiles in high winds. Keep outdoor items to a minimum and bring them inside when a storm is imminent. Additionally, heavy landscaping debris and bulk items should be put out for pick-up on their respective collection days, with bulk pickups occurring every Wednesday. Avoid placing mulch in your yard front as it can wash into roadways and clog the Town's storm drain system during heavy rains. Please DO NOT wait until there is a hurricane warning or hurricane watch to put things out for pick-up as collection is not guaranteed.

Early Preparation is Key Review and update your hurricane plan now. Early preparation is critical. Plan your evacuation route and destination, and ensure your home is ready. Sign up for AlertSurfside and Town notifications to stay informed about storm events that may impact Surfside by texting SURFSIDE to 888777.

Support for At-Risk Residents At-risk seniors and residents requiring medical care or equipment, and who need transportation assistance during a mandatory evacuation, should register with the Miami-Dade County Emergency & Evacuation Assistance Program (EEAP) in advance. For assistance, call 311.

Gather Supplies Early Do not wait until a storm is threatening to complete your hurricane kit. Gather non-perishable food and emergency supplies for your household. Refill all necessary prescriptions and plan for medication that needs refrigeration in case of a power outage.

By taking these steps, we can all contribute to a resilient and prepared Surfside. Stay safe, and let's work together to ensure our community's safety and quick recovery during hurricane season.

SEA TURTLE NEST SIGHTINGS IN SURFSIDE

Sea turtle nesting season's first nests are here! Multiple nests have been spotted in Surfside so far. Be on the look out for the yellow and pink County markers to help us keep all nests safe. Sea turtle nesting season in Miami-Dade County runs from April 1 to Oct. 31 each year. However, nesting can occur before or after these dates. During nesting season, surveys are conducted daily to monitor, record and study all sea turtle nesting activity. If a crawl is determined to have resulted in a nest, staff mark off the area with stakes, neon tape and a nest sign to protect the nest during incubation. Around 600 nests are laid on Miami-Dade County beaches every year.

The Town follows sea turtle lighting regulations to protect our beloved marine friends. Visit townofsurfsidefl.gov to learn more about sea turtle safety guidelines.

TRANSITIONING FROM GAS-POWERED TO ELECTRIC OR BATTERY-OPERATED LEAF BLOWERS

As of March 1, 2024, the use of gas-powered leaf blowers is prohibited within the Town of Surfside. Please help us transition to battery or electric-powered leaf blowers by Sep. 1, 2024.

Why?

Gas powered leaf blowers pollute the air for the entire community and increase greenhouse gas emissions.

Gas powered leaf blowers create noise pollution leading to adverse health effects, especially for those operating the device.

SURFSIDE WELCOMES NEW POLICE CAPTAIN

Last month Captain Arley Flaherty was sworn into the Surfside Police Department. Arley began her law enforcement career in 2002 as the only female police officer with the Miccosukee Police Department before joining the Miami Beach Police Department in 2004. Arley has served in a variety of capacities including Uniformed Patrol Officer, Bike Patrol Officer, Public Information Officer, Undercover Vice Narcotics Detective within the Strategic Investigation Unit and subsequently detached as a unit member to the Miami-Dade State Attorney's South Florida Money Laundering Task Force.

Captain Arley Flaherty has a profound belief that being approachable and accessible to members of the community is an essential and effective necessary method for solving problems and fostering relationships and public trust. Welcome Captain Arley!

RESIDENTS CONNECT WITH POLICE LEADERSHIP AT 'CHAT WITH THE CHIEF' EVENT

Residents engaged in 'Chat with the Chief,' a community event hosted by the Town's Command Staff on Wednesday, May 8, from 5 to 7:30 p.m. The occasion provided an opportunity for community members to connect with the Police Department's leaders, fostering camaraderie and collaboration. Attendees participated in meaningful conversations with key figures from the Police Department's administration, sharing their thoughts and learning about the vision and initiatives of the department.

The event, held at the Commission Chambers, allowed residents to make their voices heard, ask questions, provide suggestions, and acquaint themselves with Chief of Police Enrique (Henry) Doce, Assistant Chief of Police Edward Wayne Holbrook and Captain Arley Flaherty. The gathering aimed to strengthen ties, build relationships, and work towards a safer and more vibrant community.

SURFSIDE'S NON-EMERGENCY LINE

Starting on June 1, the Miami Dade Dispatch Center will handle dispatching non-emergency and 911 calls for service between the hours of 8 p.m. and 8 a.m. Town residents will not notice any changes, as calls to the **same non-emergency number, 305-861-4862**, will be automatically forwarded at 8 p.m. and return to our dispatchers at 8 a.m.

The Town Hall lobby will be secured at 8 p.m. and reopen at 8 a.m. A call box installed on the West side of Town Hall will connect to the non-emergency number, answered by the Miami Dade Dispatcher for immediate assistance. This adjustment will provide faster response times and increase officer patrols, as officers will no longer need to stay inside the dispatch center during overnight hours when there are few calls and visitors.

REFRESH YOUR BEACH SAFETY KNOWLEDGE

HOW TO BREAK THE GRIP OF THE RIP:

- Don't fight the current.
- Swim out of the current then to shore.
- If you can't escape, float or tread water.
- Call or wave for assistance.

- Always swim in a lifeguarded area.
- Never swim alone, regardless of your age or level of swimming skills.

SENIOR TRIP

It's Art Basel and the stakes are high for the gallery Mariana runs in the Wynwood Arts District in Miami. And when Mariana's movie-star mother tries to help out, things get even more complicado. A fast paced, cafecito-induced comedy about art and success—and mothers and daughters. Join the party, embrace life's twists and turns, and mark your calendar for this uproarious new comedy. Winner of the Steinberg and the Edgerton Foundation New Play Awards.
